

I-75 at Overpass Road New Interchange 432734-2-52-01

Project Details	
<b>Work Type</b>	New Interchange
<b>Phase</b>	Construction
<b>Limits</b>	From Old Pasco Road to Boyette Rd on Overpass Road
<b>Project Start</b>	October 2020
<b>Length</b>	.9 miles
<b>City</b>	Wesley Chapel
<b>County</b>	Pasco
<b>Road</b>	I-75
<b>Construction Cost</b>	\$64 million
<b>Estimated Completion</b>	Summer 2023
<b>Contractor</b>	The Middlesex Corporation

**About**

This design-build project will construct a new interstate interchange on I-75 at Overpass Road approximately 3.5 miles south of SR 52 in Pasco County.

The new diamond interchange will include a flyover ramp for westbound Overpass Road access onto southbound I-75.

To accommodate the new interchange, Overpass Road will be widened from two lanes to four lanes between the interstate and Old Pasco Road and six lanes between the interstate and Boyette Road. Blair Drive will be realigned to connect with Old Pasco Road. McKendree Road will be realigned to connect with Boyette Road.

**Project Update:** Construction activities began October 26, 2020 and are anticipated to be completed in the summer of 2023. Initial construction will focus on local roads in the southwest project area, where a new neighborhood access road will be constructed at Old Pasco Road to replace the current Blair Drive connection to Overpass Road.
