

US 41 (Tamiami Trail) Repaving from 15th Ave to Bullfrog Creek 441387-1-52-01

Project Details	
<b>Work Type</b>	Repaving
<b>Phase</b>	Construction
<b>Limits</b>	from north of 15th Ave. to south of Bullfrog Creek
<b>Project Start</b>	November 25, 2021
<b>Length</b>	8.5 miles
<b>City</b>	Apollo Beach Ruskin
<b>County</b>	Hillsborough
<b>Road</b>	Tamiami Trail US 41
<b>Construction Cost</b>	\$25.6 million
<b>Estimated Completion</b>	Summer 2024
<b>Contractor</b>	Preferred Materials, Inc.

**About**

The Florida Department of Transportation is replacing the asphalt pavement with a durable concrete surface at US 41 (Tamiami Trail) and Big Bend Road (CR 672) in Hillsborough County. This intersection will be reconstructed in phases and is to finish by late 2022, weather permitting.

In addition to the intersection improvements, this project is repaving approximately 8.5 miles of roadway between 15th Avenue and Bullfrog Creek, adding a sidewalk along the west side of US 41, and connecting existing sidewalks on the east side of US 41 from bus stops to nearby intersections.

Access to businesses, side streets, and emergency vehicles to be maintained. Advanced warning signs and message boards are assisting motorists traveling through this area.

Motorists should allow extra travel time as significant traffic delays may occur along this stretch of US 41.

The \$25.6 million project is estimated to finish by the summer of 2024.
