About

All items on this project were complete as of July 7th, 2022.

This project involved the installation of street lighting at various intersections throughout Pinellas County.

Upon completion, this will increase the visibility of pedestrians within the crosswalks at these signalized intersections:

- **5th Avenue North** at 19th Street North, 20th Street North and Tyrone Boulevard
- **Tyrone Boulevard** at 9th Avenue North, 22nd Avenue North, 66th Street North, 68th Street North, 80th Street North/38th Avenue North
- **Bay Pines Boulevard** at 100th Way
- **4th Avenue North** at 4th Street North
- **East Bay Drive** at northbound US 19 Frontage Road and southbound US 19 Frontage Road
- **Roosevelt Boulevard** at Dodge Street, 62nd Street North, 58th Street North, Lake Carillon Drive/28th Street North, 16th Court North/16th Street North, Dr. MLK Jr. Street/9th Street North, Gandy Boulevard
- **4th Street North** at Gandy Boulevard South Frontage, Gandy Boulevard North Frontage, 3rd Avenue North, 2nd Avenue North, 1st Avenue North, 1st Avenue South, 2nd Avenue South, 4th Avenue South
- **Ulmerton Road** at Wilcox Road
- **US 19 Frontage Road** (southbound) at Whitney Road, 66th Street North, 126th Avenue North
- **US 19 Frontage Road** (northbound) at Whitney Road, and 126th Avenue North
- **66th Street North** at 118th Avenue North
