| <b>Design Cost</b> | \$329,034                             |

**About**

This project will widen SR 566 (Thonotosassa Road) under I-4 from two to four lanes between the ramps. A new northbound to eastbound right turn lane onto I-4 will be added. A traffic signal will also be added at the base of the off ramp from westbound I-4.

The project is currently in the design phase. Construction is anticipated to begin in 2024.
