I-4 Interchange Improvement at Branch Forbes Rd (Exit 17) 443318-1-52-01

Project Details	
Work Type	Interchange Improvement
Phase	Completed
Limits	At Branch Forbes Road (I-4 Exit 17)
Project Start	September 11, 2024
Length	.432 miles
City	Dover Plant City
County	Hillsborough
Road	I-4
Estimated Completion	Summer 2026
Contractor	Watson Civil Construction, Inc.

About

All construction activities associated with this project were completed on Monday, August 31, 2026.

This project extended the northbound and southbound left turn lanes on Branch Forbes Road approaching the interstate.

Also, new traffic signals were installed at the eastbound and westbound exit ramps to Branch Forbes Road, and a right-turn lane was added to the eastbound exit ramp from I-4.
