City	St. Petersburg
County	Pinellas
Road	4th St Gandy Blvd SR 694 US 92
Construction Cost	\$85.2 million
Estimated Completion	Spring 2018
Contractor	Condotte/DeMoya JV

About

This project was final accepted April 27th, 2018.

The Florida Department of Transportation’s (FDOT) contractor, Condotte-deMoya JV, is transforming Gandy Boulevard from I-275 to east of 4th Street North in Pinellas County by constructing an elevated roadway with interchanges and frontage roads.

Major work on this \$85 million design-build project includes building a six-lane elevated roadway from I-275 to Dr. Martin Luther King Jr. Street North and a four-lane elevated roadway between Dr. Martin Luther King Jr. Street North to east 4th Street North.

Additional improvements include pedestrian features, bike lanes, median changes and street lights.

The \$85.2 million project is expected to finish in the spring 2018.
