About

All construction activities associated with this project were completed on Thursday, March 14, 2024.

This project repaved SR 39 (James L. Redman Parkway) between Charlie Griffin Road and Alexander Street in Plant City.

Additional improvements:

- added a right turn lane from southbound James L. Redman Parkway onto westbound Alexander Street
- widened the existing right turn lane from Alexander Street onto southbound James L. Redman Parkway

The $3.3 million project began May 30, 2023, and finished March 14, 2024.
