About

***As of August 13, 2021, all work associated with this project is now complete.***

This project widened and resurfaced the I-275 entrance and exit ramps at 31st Street South in St. Petersburg.

Additional improvements included reconstruction of the concrete island and driveways, sidewalk, crosswalks and installation of signage and pavement markings.

*Task 39 have been combined with Task 38 resulting in one single project.*
