About

This project will build a bikeway along Ola Avenue in Tampa. The project will include lighting, signing, and signal enhancements for designated pedestrian crossings along the alignment.

The Ola Avenue bikeway route will begin at 7th Avenue and travel north to Violet Street then along River Blvd. to the Hillsborough Avenue pedestrian underpass. Then it will continue on Ola Avenue to Hanna Avenue, along Hanna Ave to Highland Avenue along, Highland Ave to Thomas Street, along Thomas Street to Highland Avenue, along Highland Avenue to Hamilton Avenue, along Hamilton Avenue to Dartmouth Avenue to Kirby St. to Florida Avenue.

Construction is anticipated to begin in 2023.
