

Railroad Dynamic Envelope Striping in Hillsborough County (multiple locations) 447027-6-52-01

Project Details		About	
Work Type	Striping	<u>FINAL ACCEPTED ON APRIL 1, 2021</u>	
Phase	Completed	This project will install Dynamic Envelopes at multiple railroad crossings in Hillsborough County.	
Project Start	January 2021	The crossings include:	
City	Tampa	<ul style="list-style-type: none"> • Nebraska Avenue (US 41) • 50th Street (US 41) - two locations • Kennedy Boulevard (SR 60) - two locations • Jackson Street (SR 60) • Adamo Drive (SR 60) - two locations • 39th Street (SR569) - two locations • 22nd Street (US41B). 	
County	Hillsborough	Dynamic envelopes are roadway markings used to increase safe stopping behavior and safety for both vehicular and pedestrian traffic at grade rail crossings. These markings indicate the clearance needed for trains to safely pass.	
Road	39th Street 50th Street Adamo Drive Jackson Street Kennedy Boulevard Nebraska Avenue (Hillsborough) SR 60 US 41 US 41 Business	By keeping vehicles outside of the dynamic envelopes, fewer vehicles will be stopped too close to or actually on the tracks, thereby reducing the danger to vehicles, occupants, train crews, passengers and bystanders.	
Construction Cost	\$133,000	The goal is to positively influence driver behavior and reduce the number of incidents and injuries sustained at rail crossings.	
Estimated Completion	Spring 2021	The project began in January of 2021 and is expected to finish in the spring 2021.
