About

As of January 12, 2022 all construction activities associated with this project have been completed.

This design-build project is making improvements to roadway lighting at Dale Mabry Highway (SR 580) and W. Humphrey Street in Hillsborough County.

Improvements include retrofitting existing roadway lighting fixtures with LED luminaries and installation of new light poles hardware as necessary to light the roadway to current standards.

Construction is expected to finish in early 2022.
