About

As of January 18, 2022, all work associated with this project has been completed.

This design-build project is making roadway improvements at the intersection of US 301/SR 41 and Stacy Road in Hillsborough County.

Elements of work shall include but are not limited to roadway milling and resurfacing with a high surface friction treatment.
These improvements will protect against skidding and provide a safe travel path for vehicles.

Status: Construction is anticipated to finish in the summer of 2022
