About

As of January 31, 2022 all construction activities associated with this project have been completed.

The purpose of this design-build project is to address safety improvements with the retrofitting roadway lighting with LED luminaires along SR 60 (Hopewell Road) from Rolling Hills Boulevard to East of Dover Road in Hillsborough County.

Elements of work shall include but are not limited to retrofitting existing roadway lighting fixtures with LED luminaires and associated hardware as necessary to light the roadway to current standards with minimum impact to the current vehicular traffic patterns.
