## About

***Please note, all construction activities associated with this project were completed on Tuesday, December 3, 2024.***

This project repaved US 301 from north of Cherry Tree Lane to the north of the Pasco County Line.

Construction activities took place during daytime and nighttime hours. Work requiring lane closures occurred at night from 7 p.m. to 7 a.m.

Motorists were reminded to use caution when traveling through the work zone and to remain alert for construction workers.

Construction activities were estimated to finish during early 2025.
