About

The Florida Department of Transportation contractor is repaving SR 60 from west of SR 39 to west of Clarence Gordon Jr. Road in Hillsborough County.

In addition, the department is modifying two median openings to east and west of SR 39. These closures will improve safety and bring the road up to current access design standards along the corridor. The repaving project will replace the existing asphalt road with concrete.

Construction activities are expected to begin during early 2025.

This project is being constructed in conjunction with **Financial Project Number 443427-1-52-01**. For more information on that project, please [click here](#).
