 <p>The map shows the project area in Tampa, Florida. It highlights US 41B/Tampa Street, which runs through several neighborhoods including MACFARLANE PARK, WEST TAMPA, RIVERSIDE HEIGHTS, TAMPA HEIGHTS, and YBOR CITY. Key landmarks shown include La Teresita Restaurant, Armature Works, IKEA, and the YBOR CITY HISTORIC DISTRICT. Major highways 275, 4, and 585 are also visible. The project limits are marked with green lines on the map.</p>	
About	
<p>The purpose of this project is to mill & resurface the roadway in order to extend the service life of the pavement, install new signals, repair damaged drainage infrastructure, and to make complete street safety improvements to the corridor.</p> <p>The complete street improvements include relocating the curb line on the east side of Tampa Street to improve pedestrian visibility and reduce crossing widths, reconstruction of substandard curb ramps, replacing damaged sidewalk, and widening the sidewalk on the east side of Tampa Street.</p> <p>Additionally, bulb-outs will be constructed in areas with on-street parking, new pedestrian crossings will be installed on Florida Avenue at Kay Street, on Tampa Street north of Estelle Street and on Tampa Street south of Fortune Street.</p> <p>The project also supports planned projects by HART, including a Bus Rapid Transit system.</p> <p>This project is being designed in conjunction with FPID 440511-2-52-01. For more information on that project, please click here.</p> <p>Construction is currently anticipated to begin Fall 2026.</p>
