About

All construction activities associated with this project were completed on February 21, 2023.

The improvements consist of retrofit existing High-Pressure Sodium (HSP) light fixtures with Light Emitting Diode (LED) within Hillsborough and Pinellas counties.

Hillsborough County

- US 301 from Hampton Oaks Parkway to Jackson Road

Pinellas County

- US 19 from Gulf to Bay Boulevard (SR 60) to north of Countryside Boulevard

Nightly lane closures may occur Monday through Friday from 8 p.m. to 6 a.m.

Construction is estimated to finish spring of 2023.
