### About

#### **Tyrone Blvd On-Street Parking to be Unavailable**

Beginning Thursday, February 5th, on-street parking will be unavailable along the frontage roads of Alt. US 19 (Tyrone Boulevard) between 13th Avenue N and 38th Avenue N.

Once parking areas are marked with cones and tape, remaining vehicles must be moved within 72 hours; failure to do so may result in impoundment at the owner's expense. On-street parking may resume once barricades have been removed.

During these paving activities, Alt US 19 (Tyrone Boulevard) will remain open to motorists and pedestrians.
