

US 98 (Dade City Bypass) Widening from 7th St. S. to 7th St. N. 256423-3-52-01

Project Details	
<b>Work Type</b>	Widening
<b>Phase</b>	Construction
<b>Limits</b>	from 7th St. South to 7th St. North
<b>Project Start</b>	March 8, 2023
<b>Length</b>	1.6 miles
<b>City</b>	Dade City
<b>County</b>	Pasco
<b>Road</b>	US 98
<b>Construction Cost</b>	\$37.9 million
<b>Estimated Completion</b>	Summer 2026
<b>Contractor</b>	Cone & Graham, Inc.

**About**

This design-build project is widening US 98, also known as the Dade City Bypass, from two lanes to a four lane highway between 7th St. S and 7th St. N.

Two roundabouts will be built with the project: One will be constructed at 7th Street S and one at Old Lakeland Highway.

New traffic signals will be added at the Meridian Avenue, 7th Street N, and River Road intersections. The existing signal at Martin Luther King Jr. Boulevard will be improved. Sidewalks will be built on both sides of the highway.

The contractor is responsible for finalizing the design plans and building the improvements. The design portion of the contract began in March 2023. Construction work began in late January 2024.
