About

As of December 4, 2025, all construction activities associated with this project have been completed.

FDOT is committed to enhancing the safety and mobility of our residents and visitors. This improvement project in Dunedin includes:

- Lane reduction from four to two lanes between Alt 19/ Broadway and Oak Street
- Roundabouts at Douglas Avenue and Highland Avenue
- 10-foot-wide concrete sidewalks connecting to the Pinellas Trail
- On-street parking, bus bays and bicycle lanes
- Adding a permanent pedestrian crossing signal at the Pinellas Trail
- New mast arm signal Bass Boulevard/Main Street
- Decorative street lighting
- Raised median (landscaping opportunity)

For additional information on this FDOT/Dunedin partnership, please visit:
