New Traffic Signal at US 19 and Beach Boulevard/DiPaola Drive

Hudson, FL – A new traffic signal is now fully operational at US 19 and Beach Boulevard/DiPaola Drive (north of SR 52) in Pasco County.

Drivers should remain alert to the changed conditions as motorists get used to the new signalized intersection.

Last year, the Florida Department of Transportation's contractor, Ajax Paving Industries of Florida, began making safety improvements to this busy Hudson intersection by adding a new traffic signal, pedestrian signals, and crosswalks. The \$861,645.00 project is finishing summer of 2021.
