New Traffic Signal at Dale Mabry Highway and Sunlake Boulevard

Lutz, FL – A new traffic signal is now fully operational at Dale Mabry Highway (SR 597) and Sunlake Boulevard in Hillsborough County.

Drivers should remain alert to the changed conditions as motorists get used to the new signalized intersection.

Earlier this year, the Florida Department of Transportation's contractor, Ajax Paving Industries of Florida, began making safety improvements to the busy Lutz intersection by adding a new traffic signal, highway lighting, pedestrian signals, and crosswalks. The \$1.94 million project is expected to finish in the coming weeks.
