New Traffic Signal: Florida Avenue at 131st Avenue

Tampa, FL - A new traffic signal and pedestrian crossing has been energized and are now operational along SR 685 (Florida Avenue) at 131st Avenue in Hillsborough County.

Drivers should remain alert to the changed traffic conditions as motorists and pedestrians get used to the new signalized intersection.

Last year, the Florida Department of Transportation's contractor, Cone & Graham, Inc., began making safety improvements to this busy Tampa intersection by adding a new traffic signal, pedestrian signals, and crosswalks. The \$700,000 project is expected to finish next month.
