

# State Road 52 Widening Project

## Construction has begun!

D.A.B. Constructors, Inc., on behalf of the Florida Department of Transportation, is widening 1.5 miles of State Road 52 (Schrader Highway) between Bellamy Brothers Boulevard (CR 581) and Old Pasco Road from a two lane road to a four lane divided roadway with medians in Pasco County.

Other improvements include replacing the traffic signal at Bellamy Brothers Boulevard, constructing a 12 foot multi-use path along the north side of the road and a 5 foot sidewalk on the south side.

Most construction activities will take place during daytime hours.

The \$12.6 million project began in late November and is expected to finish in late 2018.
