Access from US 19 to CR 95 Closing for Two Weeks

Clearwater, FL – Beginning Tuesday, November 17, access from northbound U.S. 19 to County Road 95 is closing for approximately two weeks, weather permitting.

During this temporary road closure, motorists will have to detour around the work zone using Tampa Road and Lake Road to reach C.R. 95.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Drivers should use caution while traveling through the work zone and remain alert for construction workers and pedestrians

This temporary road closure is necessary for drainage installation work across CR 95 as part of the ongoing improvements to U.S. 19 from S.R. 580 to the north of C.R. 95 in Pinellas County.

For more information on this project or to sign up to receive traffic alerts, please visit FDOT Tampa Bay.com

###

The mission of the Florida Department of Transportation is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.
