US 19 Northbound Ramp from Frontage Road Closing Nightly

Clearwater, FL – Beginning Monday, January 8 through Friday, January 12, the northbound US 19 entrance ramp, located just north of Belleair Road will close nightly from 10 p.m. to 6 a.m., weather permitting.

During these ramp closures, motorists will have to continue north on Frontage Road and enter US 19 using the entrance ramp located past Seville Boulevard. Access to businesses, side streets, and emergency vehicles are being maintained. Advanced warning signs and message boards will assist motorists traveling through this area. Motorists should use caution while traveling through the work zone and allow extra travel time as significant traffic delays may occur during these ramp closures.

The Florida Department of Transportation is constructing a pedestrian overpass over US 19 to the north of Harn Boulevard in Pinellas County. Construction activities are expected to finish in early 2024.
