# I-275 New Travel Lanes Now Open from I-4 to Hillsborough Avenue

Tampa, FL – Additional travel lanes opened this week in both directions of I-275 from north of the I-4 interchange to north of Hillsborough Avenue.

This project milestone, implemented ahead of schedule, has added new travel lanes to a section of I-275, bringing congestion relief to Downtown Tampa motorists.

Drivers should remain alert for construction workers and changed driving conditions, as this area is still an active construction zone. Construction activities will continue through the spring of 2025.

For more information on the I-275 Capacity Improvements project, please visit FDOTTampaBay.com.

*The Florida Department of Transportation's mission is to provide a safe statewide transportation system that promotes the efficient movement of people and goods, supports the state's economic competitiveness, prioritizes Florida's environment and natural resources, and preserves the quality of life and connectedness of the state's communities.*
