Southbound I-275 Exit Ramp to Floribraska Ave
Closing Wednesday and Thursday Nights

Tampa, FL - On Wednesday, June 12, and Thursday, June 13, the southbound I-275 ramp (Exit 46A) to Floribraska Avenue will close from 11 p.m. to 5 a.m., weather permitting.

During these closures, motorists will have to detour around the work zone by exiting the interstate using Exit 46B, continuing east onto SR 574 (Dr. Martin Luther King Jr. Boulevard), south onto Nebraska Avenue, and proceeding toward Floribraska Avenue.

Elmore Avenue will remain open to local traffic during these temporary ramp closures.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Drivers are reminded to use caution while traveling through the work zone and remain alert for construction workers.

This temporary ramp closure is necessary for crews to perform construction activities as part of the I-275 Capacity Improvements project.
