New US 301 Traffic Signal at E Columbus Drive

Tampa, FL - A new traffic signal is now fully operational at US 301 and E. Columbus Drive in Tampa.

Drivers should remain alert to the changed conditions as motorists get used to the new signalized intersection.

In addition to the new traffic signal, the Florida Department of Transportation is improving medians along US 301 between Falkenburg Road and Sligh Avenue. The \$3.7 million safety improvement project is on schedule to finish in the fall of 2021.
