Eastbound Selmon Expressway Ramp (Exit 15A) to Southbound I-75 **Closing Friday and Saturday Nights**

Brandon, FL – A temporary closure of the eastbound Selmon Expressway ramp (Exit 15A) to I-75 south occur nightly from 10 p.m. to 5 a.m., on Friday, July 18 and Saturday, July 19, weather permitting.

Eastbound motorists needing to access I-75 south will have to detour around the work zone by exiting the Selmon Expressway using Exit 13, turning right onto US 301, and proceeding south toward the southbound I-75 entrance ramp.

Electronic message boards and signage will assist motorists traveling through the area. Motorists should use caution while driving through the work zone and remain alert for construction workers.

These temporary ramp closures are part of the ongoing concrete pavement repairs to I-75 from Progress Boulevard to Woodberry Road in Hillsborough County.
