Eastbound Selmon Expressway Ramp to I-75 North Closing Wednesday and Thursday Nights

Brandon, FL – A temporary closure of the eastbound SR 618 (Selmon Expressway) ramp to I-75 north will occur nightly from 10 p.m. to 5 a.m., on Wednesday, July 16, and Thursday, July 17, weather permitting.

Motorists needing to access I-75 north will have to detour around the work zone by exiting the Selmon Expressway using Exit 14, turning left onto Falkenburg Road, then right onto SR 60, and proceeding east on SR 60 toward the northbound I-75 entrance ramp.

Electronic message boards and signage will assist motorists traveling through the area. Motorists should use caution while driving through the work zone and remain alert for construction workers.

These temporary ramp closures are part of the ongoing concrete pavement repairs on I-75 from Progress Boulevard to Woodberry Road in Hillsborough County.
