Florida Avenue at Stanley Street Closing for 10 Days

Tampa, FL – Beginning early morning Monday, March 14, 2022, the Florida Department of Transportation's contractor, Ajax Paving Industries of Florida, will close **Florida Avenue (US 41 Business) just south of Bird Street in Tampa**. This temporary road closure will allow crews to deep mill and resurface the northbound and southbound Florida Avenue travel lanes at Stanley Street.

This section of Florida Avenue (US 41 Business) is expected to close for approximately 10 days, weather permitting. Motorists will detour around the work zone using Bird Street, Nebraska Avenue, and Sligh Avenue.

Access to businesses, residents, and emergency vehicles to be maintained. Advanced warning signs and electronic message boards will assist motorists traveling through this area. Motorists should anticipate traffic delays and congestion on all nearby roads during this road closure.

This project is expected to finish in the spring of 2022.

For more information on the Florida Avenue repaving project or to sign-up to receive construction updates and traffic alerts, please visit: FDOTtampabay.com
