Gandy Boulevard Ramps at I-275 Closing Nightly

St. Petersburg, FL – Beginning Sunday, July 7 through Tuesday, July 9, the Gandy Boulevard ramps at I-275 will close nightly from 8 p.m. to 6 a.m., weather permitting.

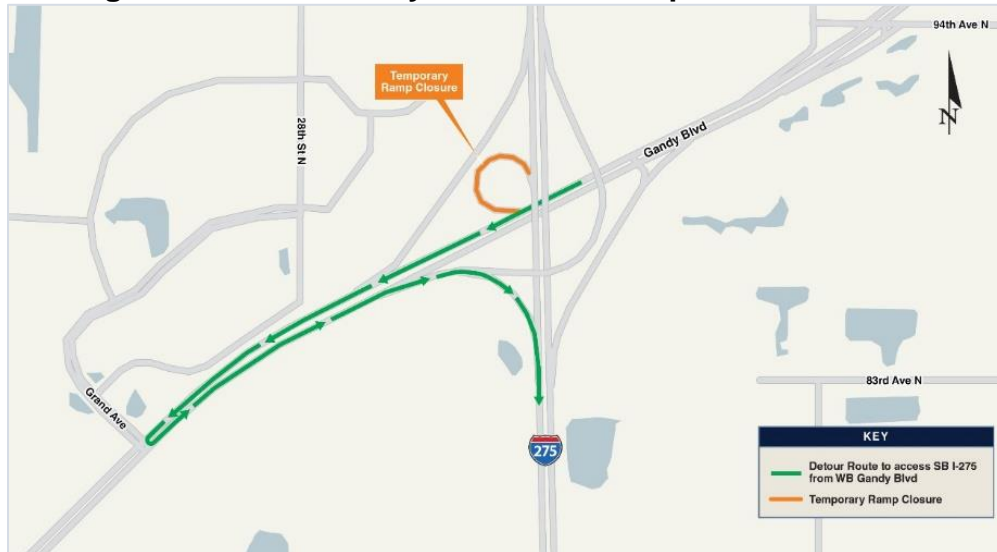

Advanced warning signs and electronic message boards will assist drivers traveling through the area. Motorists should use caution while driving through each work zone and remain alert for construction workers.

Closing: Southbound I-275 ramp (Exit 28) to Westbound Gandy Boulevard

During these temporary ramp closures, southbound motorists will exit the interstate using Exit 26, turn east onto 54th Avenue North, re-enter the interstate using the northbound I-275 entrance ramp, continue north toward Exit 28, and proceed west onto Gandy Boulevard.

Closing: Westbound Gandy Boulevard Ramp to Southbound I-275

During these temporary ramp closures, westbound motorists will remain on Gandy Boulevard, make a U-turn at the next traffic signal (Grand Avenue), and proceed east toward the southbound I-275 entrance ramp.

These closures are necessary for crews to perform paving operations as part of SR 694 (Gandy Boulevard) repaving project from Grand Avenue to I-275 in Pinellas County. Construction activities are expected to finish during summer of 2024.

For more information on this project or to sign up to receive traffic alerts, please visit FDOTtampabay.com
