Westbound I-4 Ramps at County Line Road Closing this Weekend

Tampa, FL – Beginning at 9 p.m., Friday, May 3, the Florida Department of Transportation's contractor, Hubbard Construction Co., will close the westbound I-4 ramps (entrance and exit) at County Line Road in Hillsborough County. Both westbound ramps should reopen by 5 a.m., Monday, May 6, weather permitting.

Westbound I-4 motorists needing to access County Line Road will have to exit the interstate at Exit 22, turn south onto Park Road, re-enter the interstate using the eastbound I-4 entrance ramp, and continue east on I-4 toward Exit 25 (County Line Road).

Motorists needing to access westbound I-4 from County Line Road will have to proceed west onto North Frontage Road from Swindell Road, continue west toward Park Road, and enter the interstate using the westbound I-4 entrance ramp.

Electronic message boards and signage will assist motorists traveling through the area. Motorists should use caution while driving through each work zone and remain alert for construction workers.

These temporary ramp closures are part of the I-4 repaving project from east of McIntosh Road to County Line Road in Hillsborough County.

For more information on this project or to sign up to receive traffic alerts, please visit FDOTTampabay.com.
