Westbound I-175 Entrance Ramp from 6th Street South Closing Nightly

St. Petersburg, FL – Beginning Tuesday, September 9 through Monday, September 15, the westbound I-175 entrance ramp from 6th Street South will close nightly from 10 p.m. to 6 a.m., weather permitting.

During this temporary closure, motorists traveling on 6th Street South will have to turn west onto 4th Avenue South, then turn left onto Dr. Martin Luther King Jr. Street South to access the westbound I-175 entrance ramp.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Motorists should expect delays and congestion during this detour.

This temporary closure is part of the I-175 concrete pavement repairs project from 16th Street South to 4th Street South in Pinellas County. Construction activities are expected to finish during late 2025.

For more information on this project or to sign up to receive traffic alerts, please visit: FDOTTampaBay.com
