Westbound I-175 Entrance Ramps from 4th Street South Closing Nightly

St. Petersburg, FL – Beginning Sunday, October 26, to Thursday, November 6, both westbound I-175 entrance ramps from 4th Street South will close nightly from 10 p.m. to 6 a.m., weather permitting.

During these temporary closures, motorists traveling southbound on 4th Street South will need to turn left onto 6th Avenue South, then turn left onto 3rd Street South, and finally turn left again onto 4th Avenue South, then turn left onto 6th Street South to access the westbound I-175 entrance ramp.

Motorists traveling northbound on 4th Street South will have to turn left onto 4th Avenue South, before turning left onto 6th Street South to access the westbound I-175 entrance ramp.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Motorists should expect delays and congestion during this detour.

These closures are part of the I-175 concrete pavement repair project, located from 16th Street South to 4th Street South in Pinellas County. Construction activities are expected to finish by late 2025.

For more information on this project or to sign up to receive traffic alerts, please visit [FDOTTampaBay.com](https://www.fdot.com/TampaBay).
