Westbound I-175 Entrance Ramps from 4th Street Closing Nightly

St. Petersburg, FL – Beginning Sunday, November 23 to Tuesday, November 25, both westbound I-175 entrance ramps from 4th Street South will close nightly from 10 p.m. to 6 a.m., weather permitting.

During these temporary closures, motorists traveling on 4th Street South will have to turn west onto 4th Avenue South, then turn south onto 6th Street South to access the westbound I-175 entrance ramp.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Motorists should expect delays and congestion during this detour.

This temporary closure is part of the I-175 concrete pavement repairs project from 16th Street South to 4th Street South in Pinellas County. Construction activities are expected to finish during early 2026.
