Eastbound Gandy Ramp to 94th Avenue North Closing Nightly

St. Petersburg, FL – Beginning Wednesday, August 21, the eastbound exit ramp from Gandy Boulevard to 94th Avenue North will close nightly for approximately 1 week from 8 p.m. to 6 a.m., weather permitting.

During these closures, motorists should detour around the work zone using Dr. MLK Jr Street North.

Advanced warning signs and electronic message boards will assist motorists traveling through the area. Motorists should expect delays and congestion during this detour.

These closures are necessary for crews to install drainage structures as part of the US 92 (Gandy Boulevard) Ramp Intersection Improvement project at 94th Avenue in Pinellas County. Construction activities are expected to finish in late 2024.

For more information on this project or to sign-up to receive traffic alerts, please visit FDOTtampabay.com
