

Construction Update

I-275 Widening project
from north of 38th Avenue N
to north of 4th Street N
Projects 449109-1-52-01 & 444243-1-52-01

Interchange Ramp **Closure** at 38th Avenue N

The southbound I-275 Exit 25 ramp to 38th Avenue N will be temporarily closed for an extended period:

Closing: Early Monday morning, October 5, 2026

Expected Reopening: December 2026

Detours: Alternate routes will be signed for drivers. Please see the map and directions on the back. *Drivers are advised to plan some extra time to travel the detour route.*

Questions and Answers

Why will the ramp be closed?

The exit ramp needs to be widened and improved for additional storage for vehicles exiting southbound I-275.

Can the ramp be opened sooner?

The work may be able to be completed earlier, particularly if weather conditions are favorable. Contract incentives are being used to encourage the contractor to complete the work sooner.

Where can I learn more about this project?

The project webpage offers information and a link to sign up to receive project email alerts. Scan the QR code in the box below to be directed to the webpage. You can also email john.mcshaffrey@dot.state.fl.us or call 813-975-6930 for questions or comments about this construction project.
